

December 2010 News Letter

Thanksgiving Day in the clubhouse is always a big day and requires a lot of work from many. We (eight people) roasted turkeys, five ladies made the mashed potatoes; the stuffing was made by the kitchen crew, as was the gravy. When all the dishes and desserts were brought into the clubhouse for dinner we had a great selection of foods. Needless to say, we had a great meal and according to all reports it was enjoyed by all. The committee would like to thank everyone who attended, and hope that those who did not will consider joining us next year. We would also like to thank all those who helped set-up tables and chairs and all those who helped with clean-up following dinner. Thank you everyone.

It's very nice that the city is working to refinish our alleys – a lot of dust now – but it will be great when done. **WELCOME BACK EVERYONE!**
